## E-NEWSLETTER

It is proposed that we create an electronic newsletter that connects with members of the club and keep everyone involved with the club. We will ask all managers/coaches to send some information on a regular basis regarding club matches, county matches (where Athletic boys are involved) and any other business that may concern the club. This makes Mary McCarricks job as PRO much easier, gets us much more columns in the papers. We held our AGM on July 27<sup>th</sup> in Scott's Hotel where the following officers were elected.
