7-a-side

KILLARNEY Athletic Football Club have started a seven-a-side soccer tournament on a league system involving twenty teams, to popularise soccer in Killarney and to raise funds for St. Mary of The Angels Home for Handicapped Children at Beaufort.

The competition began on Tuesday night at the Aras Phadraig pitch and the second round games will be played tonight (Thursday) beginning at 6.35 p.m. and the league will continue every Tuesday and Thursday for some weeks. It is hoped to have it completed by September. Mr. Billy Doyle, chairman of Killarney Athletic said it hoped to raise about £200 for Beaufort, and asked for support from Killarney people for the games which will be going on for four to six weeks.

He said they had received a perpetual cup for the tournament from Killarney Autos and trophies for winners and runners-up from the International Hotel and Torc Great Southern Hotel.
